We are excited to offer you a summer program for your child!

Listed are a few topics that we want you to be aware of for your child to attend our program this summer:

1. Each child will need to bring a morning snack/drink, and lunch each day. If they are in extended day, an afternoon snack will also be needed. If there are special needs in regards to food intake i.e. need food chopped, etc., please document this on the form in the enrollment packet.
2. ENROLLMENT PACKET MUST BE TURNED IN BEFORE THE CAMP STARTS. No child will be admitted to the summer program without a completed packet.
3. If you are interested in your child attending any of these weeks, please check the week you would like them to attend so we can plan for adequate staff coverage.
