INDEPENDENT AUDITORS' REPORT

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Therapeutic Learning Center Charter School ("TLC"), a component of the Arc of the St. Johns, Inc., which comprise the statements of financial position of as of June 30, 2024 and 2023, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of TLC as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about TLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to the risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of TLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated August 12, 2024, on our consideration of TLC's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of TLC's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering TLC's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Therapeutic Learning Center Charter School ("TLC") was established on September 20, 2000 and is a component of The Arc of the St. Johns, Inc. (the "Arc"). TLC provides an educational program designed to provide early intervention and learning opportunities for children with developmental delays or disabilities from two through five years of age who qualify for exceptional student education services and reside in St. Johns County.

TLC's primary revenue source is a charter agreement with the School Board of St. Johns County ("School Board").

TLC's charter agreement with the School Board is effective until June 30, 2029 and may be renewed by mutual written agreement of the parties pursuant to Florida law. At the end of the term of the charter, the School Board may choose not to renew the charter under grounds specified in the charter, in which case the School Board is required to notify TLC in writing at least ninety (90) days prior to the charter's expiration. Pursuant to Section 1002.33(8)(e), Florida statutes, TLC contract provides that in the event TLC is dissolved or terminated, any encumbered funds and all TLC property purchased with public funds automatically revert to the School Board. During the term of the charter, the School Board may also terminate the charter if good cause is shown.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation

These financial statements are prepared on the accrual basis of accounting and focus on TLC's resources and activities as a whole. Net assets, revenues, expenses, distributions, gains and losses are classified based on the existence or absence of donor-imposed or other external restrictions. Accordingly, net assets of TLC and changes therein are classified and reported as follows:

- The change in net assets with donor restrictions.
- The change in net assets without donor restrictions.

Cash and Cash Equivalents

For purposes of the statements of financial position and the statements of cash flows, TLC considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

TLC maintains cash in one financial institution. The cash is fully insured through the Public Funds Collateralization Program.

Leasehold Improvements and Equipment

Leasehold improvements and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed on the straight-line method over the estimated useful lives of the assets (five to fifteen years). All acquisitions of equipment and all expenditures for renewals and improvements of \$1,000 and above are capitalized.

Public Support and Revenue

Grants and other contributions of cash and other assets are reported as donor restricted support if they are received with donor stipulations that limit the use of the donated assets. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as contributions without donor restrictions.

Revenues recognized from the School Board of St. Johns County (the "School Board") are pursuant to the funding provisions included in TLC's charter agreement. In accordance with funding provisions of the charter agreements and Section 1002.33, Florida Statutes, TLC reports the number of full-time equivalent (FTE) students and related data to the School Board. The School Board receives a five percent (5%) administrative fee based on unweighted full-time equivalent students from TLC, which is withheld from the respective payments.

Under the provisions of Section 1011.62, Florida Statutes, the District reports the number of FTE's and related data to the Florida Department of Education (the "Department") for funding through the Florida Education Finance Program ("FEFP"). Funding for TLC is adjusted during the year to reflect the revised calculations by the Department under the FEFP and the actual weighted FTE's reported by TLC during the designated FTE survey periods. The Department may also adjust subsequent fiscal period allocations based on an audit of TLC's compliance in determining and reporting FTE and related data. Generally, such adjustments are treated as reductions or additions of revenues in the year the adjustment are made.

Donated Services

No amounts have been reflected in the financial statements for donated services. TLC generally pays for services requiring specific expertise. However, individuals may volunteer their time and perform a variety of tasks that assist TLC with specific assistance programs, fundraising activities, and various committee assignments.

Administrative, Management and General Expense Allocation

Administrative, management and general expenses are allocated by the Arc to TLC based on the number of employees of TLC as a percentage of the total employees of the Arc.

**THERAPEUTIC LEARNING CENTER CHARTER SCHOOL
A COMPONENT OF THE ARC OF THE ST. JOHNS, INC.**

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONCLUDED)

Maintenance Expense Allocation

Maintenance expenses are allocated by the Arc to TLC based on the number of direct hours the maintenance staff works on TLC's occupied property as a percentage of the total hours of the maintenance staff.

Estimates

Management uses estimates and assumptions in preparing its financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

Income Tax Status

TLC is a component of the Arc which is exempt from federal and state income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Arc qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as other than a private foundation under Section 509(a)(2).

The Arc evaluates its tax positions for any uncertainties based on the technical merits of the position taken. The Arc recognizes the tax benefit from any uncertain tax position only if it is more likely than not that the tax position will be upheld on examination by taxing authorities.

Currently, the tax years ended 2023, 2022 and 2021 are open and subject to examination by the Internal Revenue Service. However, the Arc is not currently under audit nor has the Arc been contacted by any of these jurisdictions.

Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents, accounts receivable, prepaid expenses and other assets, and accounts payable and accrued expenses approximate fair value due to the short maturity of these financial instruments.

Reclassifications

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

2. MANAGEMENT OF LIQUIDITY

TLC has financial assets available within one year of the balance sheet date for general expenditures as follows.

	2024	2023
Financial assets at year end:		
Cash and cash equivalents	\$ 303,730	\$ 453,169

The School Board receives a five percent (5%) administrative fee based on unweighted full-time equivalent students from TLC, which is withheld from the respective payments. NOTES TO FINANCIAL STATEMENTS

5. DESCRIPTION OF PROGRAM SERVICES

TLC provides education programs for children who have developmental delays, cerebral palsy, hearing deficits and other related disabilities.

6. CONTINGENCIES

The State of Florida and St. Johns County funded programs are subject to special audits. Such audits could result in claims against the resources of TLC for disallowed costs or noncompliance with grantor restrictions. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined at this date.

7. RELATED PARTY

TLC is a component of the Arc. TLC relies on the Arc's administrative staff for accounting, human resources and management oversight. During the years ended June 30, 2024 and 2023, TLC incurred administrative expenses provided by the Arc of \$24,303 and \$24,646, respectively.

TLC conducts its education programs in a facility owned by the Arc. The Arc charges TLC monthly for the occupancy of the facility. Total amount of the occupancy expenses were \$48,000 and \$48,000 for the years ended June 30, 2024 and 2023, respectively.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Therapeutic Learning Center Charter School
a Component of the Arc of the St. Johns, Inc.
St. Augustine, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Therapeutic Learning Center Charter School ("TLC"), a component of the Arc of the St. Johns, Inc., which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated August 12, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered TLC's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of TLC's internal control. Accordingly, we do not express an opinion on the effectiveness of TLC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether TLC's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
