INDEPENDENT AUDITORS' REPORT

To the Board of Directors St. Johns Community Campus Charter School a Component of the Arc of the St. Johns, Inc. St. Augustine, Florida

Opinion

We have audited the accompanying financial statements of the St. Johns Community Campus Charter School ("SJCC"), a component of the Arc of the St. Johns, Inc., which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the SJCC as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the SJCC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the SJCC's ability to continue as a going concern within one year after the date that the financial statement are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Governmental Auditing Standards* with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Directors St. Johns Community Campus Charter School Page Two

In performing an audit in accordance with generally accepted auditing standards and Governmental Auditing Standards, we:

- · Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to the risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SJCC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, a well as evaluate the overall presentation of the financial statements.
- Conclude whether, in or judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the SJCC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

St. Johns Community Campus Charter School ("SJCC") was established in August 2009 and is a component of The Arc of the St. Johns, Inc. (the "Arc"). SJCC provides education experiences for developmentally disabled students, ages of 18-22, through a combination of vocational training, integrated employment and community based work experiences with the goal of securing and maintaining employment within a more independent lifestyle.

SJCC's primary revenue source is a charter agreement with the School Board of St. Johns County (the "School Board").

SJCC's charter agreement with the School Board is effective until June 30, 2029 and may be renewed by mutual written agreement of the parties pursuant to Florida law. At the end of the term of the charter, the School Board may choose not to renew the charter under grounds specified in the charter, in which case the School Board is required to notify the SJCC in writing at least ninety (90) days prior to the charter's expiration. Pursuant to Section 1002.33(8)(e), Florida statutes, SJCC contract provides that in the event SJCC is dissolved or terminated, any encumbered funds and all SJCC property purchased with public funds automatically revert to the School Board. During the term of the charter, the School Board may also terminate the charter if good cause is shown.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation

These financial statements are prepared on the accrual basis of accounting and focus on SJCC's resources and activities as a whole. Net assets, revenues, expenses, distributions, gains and losses are classified based on the existence or absence of donor-imposed or other external restrictions. Accordingly, net assets of SJCC and changes therein are classified and reported as follows:

- The change in net assets with donor restrictions.
- The change in net assets without donor restrictions.

Cash and Cash Equivalents

For purposes of the statements of financial position and the statements of cash flows, SJCC considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

SJCC maintains cash in one financial institution. The cash is fully insured through the Public Funds Collateralization Program.

Leasehold Improvements and Equipment

Leasehold improvements and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed on the straight-line method over the estimated useful lives of the assets (five to fifteen years). All acquisitions of equipment and all expenditures for renewals and improvements of \$1,000 and above and that materially prolong the useful lives of assets are capitalized.

Public Support and Revenue

Grants and other contributions of cash and other assets are reported as donor restricted support if they are received with donor stipulations that limit the use of the donated assets. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as contributions without restrictions.

Revenues recognized from the School Board of St. Johns County (the "School Board") are pursuant to the funding provisions included in SJCC's charter agreement. In accordance with funding provisions of the charter agreements and Section 1002.33, Florida Statutes, SJCC reports the number of full-time equivalent (FTE) students and related data to the School Board. The School Board receives a five percent (5%) administrative fee based on unsighted full-time equivalent students from SJCC, which is withheld from the respective payments.

Under the provisions of Section 1011.62, Florida Statutes, the District reports the number of FTE's and related data to the Florida Department of Education (the "Department") for funding through the Florida Education Finance Program ("FEFP"). Funding for SJCC is adjusted during the year to reflect the revised calculations by the Department under the FEFP and the actual weighted FTE's reported by SJCC during the designated FTE survey periods. The Department may also adjust subsequent fiscal period allocations based on an audit of SJCC's compliance in determining and reporting FTE and related data. Generally, such adjustments are treated as reductions or additions of revenues in the year the adjustment are made.

Donated Services

No amounts have been reflected in the financial statements for donated services. SJCC generally pays for services requiring specific expertise. However, individuals may volunteer their time and perform a variety of tasks that assist SJCC with specific assistance programs, fundraising activities and various committee assignments.

Administrative, Management and General Expense Allocation

Administrative, management and general expenses are allocated by the Arc to SJCC based on the number of employees of SJCC as a percentage of the total employees of the Arc.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONCLUDED)

Maintenance Expense Allocation

The Arc allocates maintenance expenses are allocated to SJCC based on the number of direct hours the maintenance staff works on SJCC's leased property as a percentage of the total hours of the maintenance staff.

Transportation Expense Allocation

The Arc allocates transportation expenses to SJCC based on a monthly analysis of transportation hours dedicated to the transportation of SJCC students. The allocated costs include fuel, vehicle maintenance, etc.

Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

Income Tax Status

SJCC is a component of the Arc which is exempt from federal and state income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Arc qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

The Arc evaluates its tax positions for any uncertainties based on the technical merits of the position taken. The Arc recognizes the tax benefit from any uncertain tax position only if it is more likely than not that the tax position will be upheld on examination by taxing authorities.

Currently, the tax years ended 2023, 2022 and 2021 are open and subject to examination by the Internal Revenue Service. However, SJCC is not currently under audit nor has SJCC been contacted by any of these jurisdictions.

Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents, accounts receivable, accounts payable and accrued expenses approximate fair value due to the short maturity of these financial instruments.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors St. Johns Community Campus Charter School a Component of the Arc of the St. Johns, Inc. St. Augustine, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of St. Johns Community Campus Charter School ("SJCC"), a component of the Arc of the St. Johns, Inc., which comprise the statements of financial position as of June 30, 2024 and 2022, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated August 12, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered SJCC's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of SJCC's internal control. Accordingly, we do not express an opinion on the effectiveness of SJCC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

eville Wainio CPAS

As part of obtaining reasonable assurance about whether the SJCC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
